

Erratum: Blood and Bone Marrow Transplantation in India: Past, Present, and Future

In the article titled “Blood and Bone Marrow Transplantation in India: Past, Present, and Future”, published on pages 308-311, Issue 3, Volume 41 of Indian Journal of Medical and Paediatric Oncology^[1], the term transcatheter cardiovascular therapeutics (TCT) has been incorrectly mentioned on page 309, under The future (2020 to eternity) paragraph, 4th para, 14th line. The correct term should be transplantation and cellular therapy (TCT).
